ASPIRE IN ALL THAT WE DO

KEY REMINDERS - WEATHER

The temperature and humidity continue to rise, with highs next week of up to 25°C in Eastbourne alongside an increase in both UV rays and pollen levels.

We ask parents to remind students to have a cool drink throughout the day. Students are welcome to bring a clearly labelled reusable water bottle to school and fill it up at the water fountain. We would recommend that students wear a high-factor SPF to limit any sun damage.

If students require medication whilst at school such as antihistamines, please fill out the medical form available [here](#).

Library book donations for our new library and multimedia space is open on SQUID - multiples of £5 donations. All your donations are very much appreciated. Business sponsorships email j.logan@gildredgehouse.org.uk

NUT FREE SCHOOL - To safeguard our students, staff and visitors it is imperative that peanuts, nuts and anything nut based are NOT bought into school or consumed on the premises.

GH SPORTS DAY 2023

SPORTS DAY, FRIDAY 26TH
MAY 2023
@ EASTBOURNE SPORTS PARK

The last day of Summer Term 5 saw our first Gildredge House Sports Day at the Eastbourne Sports Park athletics track. The weather was great, the students were fantastic both in their events and in the support they gave to each other. A huge thank you to them and all the staff that made it a great experience.

We were assisted throughout the day by outstanding students from the University of Brighton along with our own Sports Champions, Student Leaders and Media Crew. A special Thank you to Mr (Lord) Gregory for his organisational skills and total commitment to the event, as well as for our new 'Lord Gregory Sports Day Champions' cup. This year it went to Johnston House. Another thank you has to go to Mr Gardner for his excellent photography and videography.

Plans are underway to make the event bigger and even better next year.

GH SPORTS DAY 2023

Duke OF Edinburgh Award

Every year at Gildredge House we undertake the challenging Duke of Edinburgh Award. The current layout involves Volunteering, Physical Skills and an Expedition.

This week we were privileged to receive a certificate from Duke of Edinburgh headquarters acknowledging the students and the incredible achievements they have made.

The DofE students at Gildredge House have spent 1,222 hours volunteering between April 2022 and 31st March 2023. It's estimated that the social value of these hours is £5877.

We are immensely proud of the dedication, effort and achievement all of the Duke of Edinburgh students have made in the Eastbourne area over the past year.

Yesterday, over 30 Year 10 students set off on a practice Duke of Edinburgh expedition. We can't wait to catch up with them and hear all about the adventure we are sure they have had. We wish them every success for the main expedition which will be happening at the end of the month.

As you can imagine, a lot of work goes on behind the scenes to organise this, so thank you to Mrs Maxwell, Mr Kenth, Mr Myall, Mr Twilley, Miss Fender and Mrs Bray for all their hard work!

WEEKLY CLASS ATTENDANCE

At Gildredge House, we believe that outstanding attendance is important to ensure children are safe and have full access to the educational provision made for them.

We closely monitor attendance for all students in both Primary and Secondary. We celebrate, weekly, the top two classes with the highest attendance rates in both phases of the school.

Week: Monday 22nd May to Friday 26th May 2023
